

## PMX brings the rock

Pacific Media Expo, a new trade show dedicated to promoting the Pacific Rim's entertainment industries such as films, anime, comics and music, will showcase several concerts from Japanese rock favorites T.M.Revolution (Tofu Records) and Miyavi (PS Company), as well as Chinese Visual Kei band Silver Ash (Scream Records). This marks the first US concert appearance for both Miyavi and Silver Ash. PMX will take place over Memorial Day weekend (May 29-31) at the Anaheim Convention Center.
